

Garden Creek School Spring Raffle 2021

Dear Creeker Families

Garden Creek Home & School is planning the second annual spring raffle fundraiser and we'd love your help in ensuring its success! This year we will be raffling off two children's bicycles, as well as a grand prize of a basket of gift cards from local businesses.

Our annual raffle is a key piece of the Home and School Committee's annual fundraising in support of important school activities and initiatives. In previous years, monies raised in part from the raffle have been used to supply iPads and Netbooks for student use, and stationary whisper bikes to foster active learning in the classroom. This year, the school plans to continue last year's initiative to invest in some much-needed updates to our playground equipment and outdoor space.

This year we are asking creeker families and business owners to donate gift cards to local businesses for our grand prize basket. If you would like to donate, please send the gift cards to the school by March 12th.

The generous donations we receive from the community each year are an integral part of the raffle's success and we sincerely appreciate every donation.

Thanks

Amanda Williams & Hannah Steeves-Carney
Garden Creek Home and School Co-Presidents
