

FREDERICTON NISSAN

Attention All Creekers!!!

Nissan Test Drive Fundraiser

Summit Dodge and Fredericton Nissan are very proud to partner with Garden Creek School for a fun and exciting fundraiser. Come to Garden Creek School on Saturday, October 5th between 10am – 12pm to test drive some of our newest and most technologically advanced vehicles. Coffee and donuts will be provided by the Home and School Committee.

HOW DOES IT WORK?

It's simple! A \$20 donation will be made for each person that registers and test drives a vehicle. This year, all money raised will go towards **technological resources for the classroom.**

WHAT DO YOU NEED TO DO?

- Gather your friends, family, and neighbors.
- Come to Garden Creek School on Saturday, October 5th between 10am – 2pm.
- Go to the registration table (inside of the school) to register. You **MUST** present a valid driver's license.
- Choose either one or all of the vehicles to test drive.
- **HAVE FUN AND WATCH THE DONATIONS ROLL IN!!!**

As part of the Garden Creek family, we look forward to working together to support our school. See you that Saturday, rain or shine.

Sincerely,

Hannah Steeves-Carney & Amanda Williams
