Guidelines for Today

We will go through the sports, highlighting the teams, in the order that they happened throughout the year. We will finish with major athletic awards, such as “Sports Dedication” and “Athlete of the Year.”

If coaches are here we would ask you to come up to the stage just before your team is called.

Everyone should hold the applause for the award winners until I have announced the names for that award.

Athletes, if your name is called, please come up to the front to receive your award. If you want, pictures can then be taken in front of the GSMS board by families as we continue with further awards.

Descriptions of the Awards
