BECOME A **HOST FAMILY**

The New Brunswick International Student Program (NBISP) welcomes students between the ages of 11 and 18 from all points of the globe. Visiting students live with a host family, attend classes with New Brunswick students and participate in extra-curricular and community activities.

Hundreds of host families around the province welcome students from abroad into their homes each year. Program stay varies from 8 weeks, 12 weeks, 5 months or 10 months.

If you and your family are interested in welcoming an NBISP student into your home, talk to a homestay coordinator in your region. For more information and a complete list of homestay coordinators throughout New Brunswick, visit our website. For a closer look at current and past students enjoying their stay, check out our New Brunswick International Student Program Facebook page.
