

Hi GSMS Students

I am very happy to be the new Principal of George Street Middle School. I am so proud of our school and want to make sure we continue being the best middle school in Fredericton.

Since I'm new to the role of Principal, I thought I would ask for your help. I would love to hear from you and find out what it is you are looking for in a principal. What do you think are the qualities of a good principal? What ideas do you have for GSMS?

I invite you to submit your entry into the "Meet Your New Principal" contest.

To enter:

1. Create a Bitmoji, Avatar, virtual image or drawing of me, your new principal
2. Include your answer to "What do you think are the qualities of a good principal?" and "What ideas do you have for GSMS?"
3. Use the link <https://forms.office.com/r/kPK7YejbLk> to upload your entry.

We will share some of the pictures and ideas on the announcements and draw some names to win great prizes.

Non electronic entries are also welcome. If you would prefer to draw and write your answers, you can drop them off at the office or email them to me: michelle.ashfield@nbed.nb.ca

Deadline: February 28.

(PS: We also have a new Vice Principal, so you may want to do a virtual version of Mr. Garnett)

Michelle Ashfield

Principal

George Street Middle School

Suggestion and ideas for creating a virtual version of Mrs. Ashfield

If you are interested in creating a virtual version of Ms. Ashfield as your principal, you may want to consider coming up with your own design using one of the internet enabled platforms below.

You may choose to represent the me you already know, or the version of me as the ideal principal.

Suggested Online platforms include:

A: <https://www.bitmoji.com> --> Familiar

B: <https://getavataaars.com/> --> Quick

C: <https://readyplayer.me> --> Ready for the metaverse

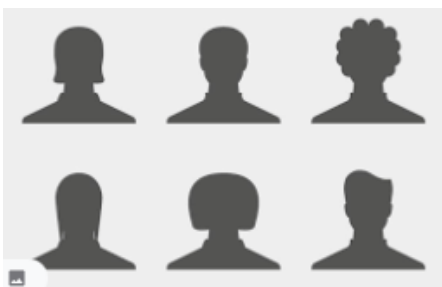

Of course there is much more to being a principal besides the person. If you would like to tell me your thoughts on my role within the school, you could put me in a scenario or environment similar to that of our great school. Some platforms that may bring you an extra level of interactivity could be:

A: Minecraft

B: Scratch

Should you choose any of the above platforms, make sure you include instructions on how I can access your creation. Make it shareable, send me a URL or upload an attachment to the Microsoft Form provided:

<https://forms.office.com/r/kPK7YejbLk>

Deadline: February 28.

(PS: We also have a new Vice Principal, so you may want to do a virtual version of Mr. Garnett)
