

PSSC May 15, 2018

In Attendance: Kathy Szo, Brenda McKeen, Amy Hogan, Sarah Smith, Rhonda Targett

- Welcome to all PSSC members.
- Internet Safety - The staff have been noticing more incidents of inappropriate technology uses (taking pictures and videos). The staff would like to have a parent information night with the RCMP on cyber safety and awareness. Potential date is June 5. They will also be doing presentations to the students in grades 3-5.
- 2018-2019 Members - Tara is done her term this year. All the other members will remain on the committee.
- PSSC Project - Overall results of the survey were positive. We are questioning the safety question results. We will redo the question and make it a clear yes or no answer to clear up any confusion. Tara is to email the rest of the results to us
- FTE - Same as last year. We will gain an additional EA. As of right now the positions of 3/4E, 5IF, 5FI, 2FI and guidance will be advertised. More to follow as positions are filled.

Next meeting is June 12th
