Milk money is to be handed in by your child to their classroom teachers on Thursday mornings and if paying by cash it needs to be the exact amount. If paying by cheque please make it payable to Harvey Elementary School. If you have multiple children attending HES you cannot combine their payments. Each homeroom teacher needs to receive a separate payment. Also please make sure that your child's name is with the payment. If paying online, please go to <https://www.schoolcashonline.com> If paying online you will be able to do this after August 27th.

Remember that payments for other orders (ex pizza, hot lunch) need to come in separate baggies / envelopes as those payments are handled elsewhere.

Motto: HES: "BE SAFE. BE RESPECTFUL. BE RESPONSIBLE"

Vision/Mission: Harvey Elementary School provides a safe and respectful culture where students will become empathetic, responsible, resilient and productive members of society.
