(b) A permanent laid off employee who has not obtained a permanent position within the eighteen (18) month layoff period shall retain all previously accumulated seniority IF she/he has worked on a casual basis during such period. After the layoff period has expired, he/she shall be considered a new employee in accordance with Article 11.08 (a) (ii). 11.06 Probationary Period - Permanent and Casual Employees

(a) Probationary Period - Permanent Employees

After having accumulated five (5) days of approved absences during the probationary period, additional days of approved absence shall extend the probationary period by a corresponding number of days. Should such employees refuse the work assignment, it shall be offered to the senior casual employee who has the minimum qualifications for the job.

(b) The preference for laid off employees referred to in (a) shall only be for an eighteen (18) month duration from the date of lay off. Where an employee is voluntarily transferred or promoted outside the Bargaining Unit, he/she shall retain his/her seniority acquired at the date of leaving the unit, but will not accumulate any further seniority. Such an employee shall have the right to return to his/her position in the Bargaining Unit within forty (40) working days. After forty (40) working days, such an employee may return to the Bargaining Unit only under Article 12.02 (b).

11.10 Seniority Protection on Merger or Amalgamation

In the event that School Districts should merge, amalgamate, combine or eliminate any of their operations or functions, the Employer agrees to the retention of seniority rights for all employees.

11.11 A permanent employee may use his/her seniority rights to bid on a posted vacancy in a district other than the District in which he/she is employed. However, the seniority of permanent employees employed within the District where the posted vacancy exists shall prevail over the seniority of the applicant from another district. Where the permanent employee from another district is successful under Article 12.02, he/she shall have seniority portability to the new district and such seniority shall form part of his/her cumulative seniority. There shall be no requirement to post a vacant position in any other district other than the District in which the position is located.

For greater clarification such affected employees shall not be entitled to the 12 month salary guarantee as per article 29.04.

The last displaced employee shall continue to be paid at his/her current hours and rate of pay for the first twelve (12) months of the eighteen (18) month layoff period.

Where operational requirements permit no outside advertisements for additional employees shall be made until five (5) working days posting has expired.

SICK LEAVE BANK APPENDIX

The parties agree to the establishment of a sick leave bank to cover employees under certification order number 028 SC 5a on the following basis:

- (a) Upon the signing of this Collective Agreement, and again each following year on the same date, every employee shall contribute one-half (½) day from his/her unused accumulated sick days, if any, which shall be placed in a Sick Leave Bank. The Sick Leave Bank shall be divided by School District. The amount of days credited to each School District will be equal to the total amount deposited by employees of each respective School District.
- (b) Applications for an allotment from the number of days credited to a School District may be made by an employee who through illness has utilized all his/her sick leave credits accumulated under Article 19.02, and the fifteen (15) days of advanced sick leave available under Article 19.07. In no case shall an applicant be required to use any vacation entitlement in order to apply for Sick Leave Bank benefits.

Employees will be granted sick leave from the number of days credited to the School District from the Bank upon production of the appropriate medical certification and approval of the Sick Leave Bank Committee.

Allotment of Sick Leave from the Bank shall be at a daily rate equal to the employee's regular daily rate.

- (i) Applicants who have fulfilled the requirements of the above may be granted credit from the Sick Leave Bank for up to a maximum of fifteen (15) days.
- (ii) Should an applicant's illness dictate a further absence from work beyond this fifteen (15) day allotment, that employee will be advised to apply for the fifteen (15) week Employment Insurance Sick Leave Benefit.
- (iii) An employee who has exhausted the benefits available under (i) and (ii) above may reapply for a further fifteen (15) days credit from the Sick Leave Bank.

For clarification purposes, no further replenishment shall be allowed for a School District, even if other School Districts still have credited days left from the Bank.

- (c) To be eligible an employee must be disabled to the extent that he/she is unable to perform the normal duties of his/her own position or any position made available to the employee that he/she is able to perform. Where such a position is made available and the rate of pay is less than the employee's rate in his/her own position he/she shall retain the rate of the position he/she held before the disability.
- (d) Upon the signing of the Collective Agreement the Administrators shall be advised by the Employer in writing of the amount of Sick Leave accrued to the Bank.

The Sick Leave Bank shall inform the parties to this Collective Agreement at the close of each calendar year on the utilization of the Bank.

- (e) The Sick Leave Bank shall be administered by a committee made up of one (1) administrator from the Employer and one (1) administrator from the Union.

The Committee shall have full power to grant or disallow sick leave entitlement as outlined under this Article.

Except in the case where the Sick Leave Bank Committee is required to make a decision that a "hardship case" exists as outlined under (b) above, all other disputes in regard to the administration of the Sick Bank as defined

herein shall be submitted to the undersigned persons to act as a sole Adjudicator who shall have the power to make a final and binding decision on a dispute under this Article.

The Adjudicator shall be chosen on an equitable rotating manner. If the first named is unable to act then the next in line shall hear the matter. A final and binding ruling on both parties shall be made seventy-two (72) hours from the date of hearing.

To qualify as an arbitrator under this clause, a person must be a recognized medical practitioner entitled to practice in the Province of New Brunswick.
