Hello KRS Families,

New Principal

KRS will be welcoming a new Principal for the 2022-2023 school year. Mr. Nathan Langille is an experienced administrator across all levels in ASD-W. He is currently the Principal at Kingsclear Consolidated School. We look forward to having Mr. Langille as a part of the KRS community.

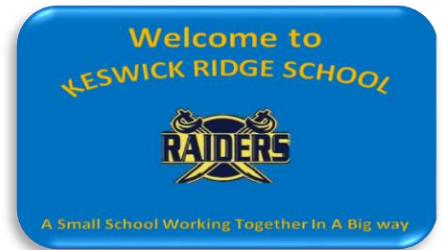

Changes to our K-2 Program

We have made the difficult decision to modify our existing K-2 Multi-age Program for the 2022-2023 school year. We will offer three K-1 combined classes and a single Grade 2 class. This change was made in order to provide more focused instruction for our Grade 2 students. This will mean classroom and teacher changes for some students. More information will be made available as class lists are finalized.

Return of Grade 1 French Immersion

We are pleased to announce the return of Grade 1 FI to KRS. Registration is still open for any families who may be undecided.

We have a number of field trips and special events in the month of June. Please be on the look-out for information and permission slips from classroom teachers. It is important that these are signed and returned to the school as soon as possible.
