

December Newsletter

Thanks so much for your impressive commitment to homework over the last couple of months. It's so rewarding to see the children learn and grow and I appreciate your continued support from home. I understand how busy the holiday season can be but I ask that you include literacy themes into any spare time you do find.

As some of you know, I am teaching part of the music curriculum to students this term. I am inviting parents and/or family friends into the classroom to share their passion, knowledge, or perspective on music. If you or someone you know would like to visit the class to demonstrate how an instrument is used, how music is composed, how a song is written, or even information about your favorite band, please contact me. I will be responsible for linking your visit to the curriculum, however, we would love to have you visit to share your musical knowledge.

The Christmas concert is scheduled for Tuesday, December 12th (with two showings, at 10 and 12:30). Our class will be singing "Frosty the Snow Man" and students are welcome to wear a hat and/or scarf but it isn't required.

Letters to Santa are scheduled for November 28th and will take place in the school gym. Please plan to arrive by 6:20 so that children can be settled in for a story at 6:30. There will be hot chocolate and cookies served while students write their letters. Pajamas, stuffies, and blankets are encouraged!

Please see the class calendar for other important dates and watch for future notices about our annual Christmas fundraising activities.
