

Mystery Reader Information

What is a Mystery Reader?

Mystery Readers are special guests who come to our classroom to read a story and surprise a lucky student. Mystery Readers can be parents, grandparents, older siblings, relatives, or special friends of a family.

When do Mystery Readers come?

If you decide to be a Mystery Reader we can work together to find a time that accommodates your schedule.

How does the Mystery Reader program work?

Once we've determined a date and time for you to come, you can start thinking of a book you would like to bring to read. If you don't have a book, I will be glad to have one for you. Prior to your visit you will provide five clues that I can read to the students. The clues should start general and become more specific. By the fifth clue, your child should be able to guess that you are the special mystery reader for the day!

How do I become a Mystery Reader?

If you would like to be a mystery reader please email me with the following information.

- Your relation to the student (For anyone other than a parent)
- A day and general time frame that you are able to come.
- The book you will be bringing or if you would like me to provide one.
- Your five clues.

Your child will be SO excited that you participated, but remember to keep it "top secret" until your big day arrives!

Hope to hear from you soon!
