November Newsletter

K-2 Chetwynd

We have been so excited with the number of people who have volunteered to be mystery readers this year! Thank you so much for taking the time to visit our class and playing an important role in your child's (or grandchild's) learning! I will continue to invite readers in after the Christmas holiday so please feel free to contact me if you or a friend/family member would like to come.

Some of your children have already received "Super Reader" cards this Fall and I have been asked about the shift from listing the reading level on the front to the smaller note on the back of the cards. I am gradually trying to eliminate student's awareness on what level they're reading and we're focusing more on the effort and strategies they are applying to reading. I will continue to send prizes and achievement cards for the students but will not be discussing their levels with them. For now, level information will be on the back of the cards to keep parents informed.

Please be sure to return book orders and to make online payments on or before the date listed on the front of the order. There is a charge for shipping when orders are below a specific amount and this comes out of my personal account. If all families return orders and make their online payments by the specified date (and we have ordered more than \$25 in total) shipping is free and I'm not charged. Thanks for your consideration on this!

The hot lunch program has been enjoyed by students and we have been impressed with the serving size that students receive. There is often food leftover and I have been sending it home in Ziploc bags, however, this has taken a toll on my bag supply. If you would like for your child to bring leftovers home please send a small reusable container or a Ziploc bag for them to carry it in.

The school is having a Remembrance Day ceremony on November 9th at 1pm. It will be held in the gym and we invite friends and families to attend and show your appreciation. If you plan to take your child home with you after the ceremony please touch base with me.

Please note the important dates on the attached calendar. Also, I have adjusted some homework days to accommodate the "No School" days.

Thanks for your ongoing support and communication, I am so fortunate to have the families I do! Please contact me if you ever have any questions or concerns.

Mrs. Chetwynd
