---

**“PLAY** is often talked about as if it were a serious relief from learning. But for **children**, Play is serious learning. Play is really the **work of childhood.**”

- Fred Rogers

---

**“Time in nature is not leisure time; it’s an essential investment in our children’s health.”**

- Richard Louv

### **Curious Kids Provides**

- Safe, Affordable Care
- Qualified, Caring, Experienced Staff
- Unique, Hands On Quality Programming focusing on the Importance of Living a Healthy Lifestyle

Unstructured play outdoors supports exploration, imagination, and creativity. NB plays—the playbook

# The NB Curriculum Framework for Early Learning

Throughout Canada and the world there is a growing recognition of the need to value and support the learning and child care of our youngest children. The New Brunswick Curriculum Framework for Early Learning and Child Care addresses this need by providing the foundation for an emergent and engaging curriculum for children from birth to five, one that will encourage optimum development in an atmosphere of trust, security, and respect.

## NEW Preschool Program Coming Sept 2016 3 & 4 year olds

CURIOUS Kids will specialize in providing a licensed PRESCHOOL program designed to provide children with learning opportunities based on natural play indoors & outdoors, physical activity, and healthy eating. (licensing pending approval of Dept. of Education and Early Childhood Development)

Combining over 60 years of child care experience we understand the need for quality child care, providing children with the opportunity to learn, explore, create, build healthy friendships, and play! We understand that each child is special, unique, and curious.

Programming will be based on the **New Brunswick Curriculum Framework**, an engaging curriculum that focuses on the best interests of the child as they play and learn each day. Using this Framework, CURIOUS KIDS will provide a quality educational program that will concentrate on the environment, and on the child's emotional and physical health. To learn, kids need uninterrupted time to play in an environment that is safe and includes ample learning opportunities through various activity centres, enhancing both individual and group experiences. Once a *'spark for learning'* is determined, children will have the ability to actively continue their own learning by choosing from numerous materials, supplies, equipment and activities.

**“The foundations of social competence that are developed in the first 5 years are linked to emotional well-being and affect a child’s later ability to functionally adapt in school and to form successful relationships throughout life.”**

**-National Scientific Council on the Developing Child**

## **SUMMER CAMPS 2016**

**July 4-8 Ya Gotta Love...The Great Outdoor** This week campers will play and learn in Nature's Playground by participating in activities designed to encourage imagination, physical activity, creative thinking, and just plain FUN!

**July 11-15 Ya Gotta Love...Your Community** Campers will experience their Community in a very real and active way by exploring and discovering the hidden treasures unique to Lincoln.

**July 18-22 Ya Gotta Love...A Healthy Lifestyle** Eating and playing in a healthy way is what campers this week will have a blast doing! From learning how to grow our own food to eating the right foods to energize our bodies. This weeks sure to be action packed!

**July 25-29 Ya Gotta Love...Active Kids** Kids, summer, and having FUN are the perfect combination to make this week of camp EXCITING for sure! Hiking, Biking, Sports, Gymnastics, Wilmot Park, and Nature Walks will ensure that we have Active Kids!

**Aug 2-5 Ya Gotta Love...Developing Youth** Building Developmental Assets such as caring, responsibility, community involvement, support and caring of others, is crucial to ensuring that kids grow up with the social competencies required for their emotional well-being and to form successful relationships in life.

**Aug 8-12 Ya Gotta Love...Pets** Campers will have contact with family pets this week learning about different types of dogs, how to behave, approach, read body language, care for, and properly handle dogs. This week focuses on the benefits of furry friends and why they need forever homes.

**Aug 15-19 Ya Gotta Love...Exploring With Friends** Campers will ask, "WHY", is the grass green?, "HOW" does a frog jump so high? and "WHAT" makes a volcano erupt? A week to explore the world we live in and discover the everyday wonders of life!

# About Us

**Angela Prime** has always had a passion for working with children. Angela began her career working part time while in high school, at a Day Care in September 1977. In May 1984, Angela graduated from UNB with a Degree in Bachelor of Physical Education, Recreation. Since that time Angela has maintained employment opportunities with children in a variety of positions including, Fun Park Playground Worker, Child Care Worker at Transition House, Summer Camp Counsellor, owner/operator of her own business, the Prime Learn and Play Center, a NB licensed Community Day Care Home, and Junior Kindergarten Teacher. From December 2010 to April 2016, Angela worked full time as the Manager, YMCA After School Child Care.

**Ruth Claybourn** has had a deep love of children which began early on in her own home. Being the youngest of 7, Ruth had many nieces and nephews to love and care for on a regular basis. Many hours of babysitting later for family and local community families, Ruth attended the University of New Brunswick and obtained a Bachelor's Degree in Physical Education, Recreation. Ruth began working for the Y in April 1985 as an After School Co-ordinator. Ruth continued working at the YMCA in the field of child care and youth programming for 31 years, holding a variety of positions such as Day Care Director, Summer Camp counsellor, After School Program Director, Child Care Director, Family Service Manager, and Director Healthy Children, Youth and Families.

**At Curious Kids we are committed to believing in each child and helping them be their own special self.**
