Hi Lincoln and surrounding area Residents:

The reenergized **Lincoln and Area Lions Club** proudly reaffirm our commitment to the community of Lincoln and surrounding area. We have continued the Lions Club work in the park by doing several clean ups over the summer of 2017. We have also installed a new charcoal BBQ for the public use as well as several new picnic tables. We hope the people of our community will enjoy our efforts.

We hold our meetings in the Autism Connection location the 1<sup>st</sup> Wednesday of each month – when we don't get snowed out. We served hot Chocolate to all who came to our Christmas tree lighting event in early December. Thank you to **Autism Connections** for providing the location for our tree and to **Scott's Nursery** for the beautiful Christmas tree.

Look for several more events coming soon at the Community room at the **Autism Connection** location **1666 Lincoln Road**.

The members of the Lincoln and Area Lions Club, with the support of the community of Lincoln and Area, are pleased to have been able to fund several of our children to the **Summer Camp of 2017** with the help of the **Lincoln Elementary School**, who assisted with selections and with community support we hope to be able to provide this service again.

The Lincoln and Area Lions Club have chosen the **Autism Connections Center**, the **Thatch Road Park** and the **Lincoln Elementary School** as major projects. We have purchased an Automatic Electronic Defibrillator for the school, had it installed and the teachers have been trained to use it.

We will be having a **community yard sale** and **BBQ** in March at our center and will be looking for people with donations of yard sale goods or who may want to rent a table for a small fee. We will inform you of the exact date soon.

We are always looking for new members and helping hands for our projects. If you think you are one of those people, please feel free to contact me at my email address below.

In Lions Service

Lion Barb Goodwin

Vice President and Project Coordinator
