

Liverpool Street School

NEWSLETTER NO. 8

APRIL 2017

Spring has arrived and the snow is quickly melting on our playground. This is the season when students often get wet during play periods and require additional clothing. In order to save families an unnecessary trip to the school in the middle of the day it would be beneficial for your son/daughter to have a change of clothes to keep in their cubby. Puddles seem to be a magnet to young children and even though they are often reminded to stay away from them they often end up in the middle of each water hole.

Report Cards & Parent Teacher Interviews

Report cards will go on home on Monday, April 3rd. Parent teacher interviews will take place on Monday, April 10th from 9:00 am – noon and again that evening from 4:00 pm – 7:00 pm. Please take this important opportunity to review your child's strengths and next steps with your child's teacher during this time.

Terrific Tuesdays

During the month of April all Liverpool Street School students will be involved in a multi-age enrichment project titled, Terrific Tuesdays. All students were provided with an interest survey and the data collected from the surveys

provided the staff with the information needed to decide what activities to offer our students. A permission slip was included in the form sent home last week which asked students to fill in their 1st, 2nd and 3rd choice. Students are asked to bring in a \$5 donation to cover the cost of each activity.

Thank you to the Liverpool Street School Home & School Association for supporting this enrichment activity as well. If you would like to volunteer for Terrific Tuesdays please contact a member of the administration at 453-5434.

Popcorn Sale

We will hold a popcorn sale on Thursday, April 20th. If your son/daughter is interested in having popcorn for recess on April 20th please have them bring in a loonie on Wednesday, April 19th.
