NEWSLETTER NO. 6

FEBRUARY 2018

As February begins the bizarre mixture of snow and ice continues to accumulate on

our playground. The children are enjoying playing outside during recess periods when the temperature is above -20 degrees Celsius. Research shows that students who receive fresh air perform better in school than those who do not. It is imperative that your child dress properly for winter weather. Snow pants, hats and mittens are a necessity; please ensure your child comes to school each day prepared to play outside.

French Immersion

Registration for Grade 2, Grade 3 and Grade 6 French Immersion Programs for the 2018-2019 school year has come to an end. If you missed this important deadline please contact ASD-W district office and someone will help you with the registration process.
