**Water Bottles**- It is important that every student have a water bottle at school. Our fountains are water bottle filling stations only. It can get hot in the school during the month of September, and students need to be hydrated to stay well and feel good at school.

**Hot Lunch**- Our first week of hot lunch was successful! **We are asking families to check their hot lunch accounts and make sure you have your child's teacher's name correct.** Many students were on last year's teacher list and some confusion happened when delivering the lunches. We thank you in advance for checking this out.
