October 21 to October 25, is Safe Schools Week, and our school will be practicing a fire drill, a bus evacuation, a school evacuation to our alternate site (Boys and Girls Club), and a secure the building exercise where we practice what we would do if we had an intruder outside the school. Teachers will discuss procedures with

students prior to the scheduled practice session.

**October School Wide Activity**

All of our classes will be given a pumpkin. Classes are being challenged to design their class pumpkin and tell a bit about their pumpkin. The pumpkins will be on display in the front lobby and students will vote for the pumpkin they like best. After the voting and a day on display, we will gather as a school outside for "the great pumpkin smash". The pumpkins will be dropped outside and the classes will be invited into the "splash Zone".

We cannot wait to put the donations that were graciously given for new books for our school library. There is nothing like the sound of a new book being opened for the first time. Thank you Indigo and to all the employees of Indigo for the warm welcome and kindness shown to all of Liverpool families and staff.
