Manners Excellence Safety

MONTH: MAY 2022

It is nice to see the sun shining and the flowers coming out. The winter clothes can be put away for another year. We have a busy month ahead and we will have the sports field up and running soon. We want to keep traffic off it for a few weeks and put some extra seed down. We are going to try a Sports Day this month, hopefully the bugs will stay away.

## Kindergarten Orientation Day

On Wednesday, May 25<sup>th</sup>. Kindergarten students will only have school in the morning. In the afternoon we will welcome our new 2022-2023 Kindergarten students. We are excited to welcome them into our school and give them a little taste of how awesome MES is. Parents/guardians are invited to a Kindergarten information session while the students are enjoying their time in the classroom.

## Heart Healthy School Water Challenge

Heart Healthy Schools Challenge #4 is the Water Challenge. The challenge is to drink **only** water and to have 0 sugar sweetened beverages each day. Fill up those water bottles MES!

## Jump Rope for Heart

The Jump Rope for Heart fundraiser will take place from May 2<sup>nd</sup> – May 13<sup>th</sup>. Pledge sheets will go home with the students on May 2<sup>nd</sup>. Students will get prizes for the different levels they reach. The money goes to a great cause and MES is very happy to support this cause.

## Mabel's Label's

MES will be starting an online Mabel's Label's fundraiser in August. These waterproof name labels are great for personalizing your children's belongings for the new school year and will be helpful in reducing mix-ups and lost items. The link will be posted on Facebook.
