WRITING:

The Holiday Season is the perfect time to enrich writing skills! Writing thank you letters for gifts, helping to write lists for groceries and fun activities, and keeping a journal are fun ways to create personal connections to writing!

READING:

Reading can be a wonderful way to relax and reconnect. Children of all ages love read alouds. Cuddling up on the couch with a good book, hot chocolate, and soft lighting sets a relaxing mood for reading.

Taking turns reading with your child, whether it is reading the words or reading the pictures, boosts reading enthusiasm and success.

FAMILY FUN:

Get the whole family in on the fun! Dig out those "old favourite" board games to promote oral language and

conversation. Pick up a few new games, such as Headbandz or Pictionary.

Story Cubes are tons of fun; roll the dice and tell a story using the pictures.

Play charades - talking, moving AND laughing!

COOK UP SOME FUN:

Take Literacy into the kitchen! Make your favourite recipe together,

having your child read the recipe.

Make up some playdough and use it to "write" letters, words, and pictures.

Have an Alphabet Cereal scavenger hunt; fill up your bowl and look for letters or build words. ABC past silly words; cook up the pasta, dip up a spoonful and see what word you can create!

From All the Staff at MES We'd like to Wish You a Healthy, Happy & Peacful New Year!
