

# McADAM ELEMENTARY SCHOOL

MONTH: MAY 2019

Respect Yourself, Respect Others, Respect Community

MES students have been busy planting, growing and harvesting from our Indoor Tower Garden. Classes have had salad days, weekly smoothies and most recently have planted sunflowers.

The students came up with a **GREAT IDEA**, to plant, grow and sell sunflowers in order to raise money for seeds to plant for our next upcoming school year. The students thought \$1.00 would be a good price for each sunflower.

The students are very excited about completing this fundraiser and raising a little bit of funds to purchase new seeds and to decide on what they would like to grow next school year.

Last year our school received an Apple Award for this fundraiser for promoting health and wellness.

Personal Wellness Teacher

May 6 To May 10th!

Teacher  
Appreciation  
Week

*Summer, summer  
almost here  
Let's give summer  
a big fat cheer!*

*Of this fact I'm surely clear  
Summer is the best time of year!*

Canadian Mental  
Health Association  
*Mental health for all*

**Mental Health** is about more than mental illness. It's more than being happy all the time. It's about feeling good about who you are, having balance in your life, and managing life's highs and lows. Everyone deserves to feel well, whatever their mental health experience. And we all need a support system to lean on.

**Mental Health** affects every single Canadian, because every single Canadian has mental health, just like we all have physical health.

At the **Canadian Mental Health Association**, we lean on all Canadians to help us spread the word for CMHA

**Mental Health Week, which runs May 5-11 2019.**
