

McADAM ELEMENTARY SCHOOL

Respect Yourself And Respect Others

MONTH: MAY 2017

NEED A CURE FOR YOUR KIDS SPRING FEVER? TRY THESE SUGGESTIONS!

- **Soak up the Sun:** Encourage your youngsters to study by a sunny window or on a porch. The change of scenery will help satisfy their desire to be outdoors.
- **Get Hearts Racing:** Let your children run and play outside before starting schoolwork or before school in the morning, if there's time. A little activity will get spring fever wiggles out!
- **Stick to Bedtimes:** It's tempting to let kids stay up later as the days get longer but keep in mind that most elementary school students need about 10 hours of sleep each night. Getting plenty of rest will help your children keep their minds on schoolwork.

Pre-Kindergarten children for the year 2017-2018 and their parents/guardians are invited to attend a Welcome to Kindergarten Session. During this session, children will get to know their classmates, meet the teacher, and participate in some introductory kindergarten activities.

PRE K REMINDER

IMMUNIZATION:

Immunizations are required for school entry.

This includes the 4 year old booster.

Parents/Guardians of PreK's please ensure to bring your immunization card if you haven't already.

QUESTIONS? Call Public Health in Fredericton and lower valley at 453-5200 and in Woodstock and upper valley at 1-888-829-6444.

NB Routine Immunization Schedule

New Brunswick has a policy concerning required immunizations to attend school:

Policy 706: Proof of Immunization

We hope you enjoy this exciting time in your child's development. Remember children have to be healthy to learn and they have to learn to be healthy.
