**SCHOOL MISSION STATEMENT**

To work cooperatively with partners to create an environment to empower students to become life-long learners, effective thinkers, and productive citizens.

**SCHOOL VISION**

Our vision is to provide a happy safe caring and engaging environment where all students at McAdam elementary will recognize and achieve their fullest potential.

*This year promises to be an active one for students*

**We want to welcome and encourage** parents to become involved in their children's school life. We look forward to helping your children grow socially, emotionally, and academically and we hope to keep an open line of communication between home and school.

**Soon an updated MES handbook** will be sent home. Please take the time to read, the booklet contains important school and district for your information.

If your child has a **medical condition** that we need to be aware of you will need to complete a Medical Form/Plan for this school year, or revise and update a previous one.

**The safety of students is a priority at MES.** If you plan on volunteering for school based activities please be reminded that Volunteer Forms as per ASD-W Policy 701 must be completed, as well as a Criminal Record Check.

**Parents are reminded to sign in at the office** when entering the school. and to **call to advise the school** if your child is absent or running late on a particular day. (As per the NB Education Act, we require a signed written excuse upon their return. PH: 784 – 6808)

**Also if you drive your children to school, please do not pull into the parking lot to drop them off.**

**This is a very congested area and poses a safety concern** to others when you do not follow protocol by dropping them off along Rose Street at the crosswalk. There is a crosswalk guard on duty to assist students crossing the road. If your child rides the bus, and is a K-2 student, parents / guardians are reminded that they must meet the bus at their afternoon bus stop. **As well, if your K-2 child rides the bus in the morning please remember to wait with them to ensure the bus arrives to pick them up. (this is true even at the High School bus stop.)** Unfortunately the bus does breakdown at times and there are unforeseen situations.

**THANK YOU**

***for helping out with this important concern!***
