Health Announcement For November!

Viruses, like flu and coronavirus, spread when tiny drops from cough and sneezes land on things that other students touch. If you have to cough or sneeze, please use your elbow or a tissue and throw the tissue into the garbage right away. Then, wash your hands with soap and water for at least 20 seconds. When you practice good hygiene, you keep everyone in our school healthy. Please remember to stay home if you are feeling unwell.

Poppy poppy what do you say?
Wear me on Remembrance Day.

Poppy poppy what do you tell?
Many soldiers in battle fell.

Poppy poppy what should we know?

That peace on earth should grow, grow, grow.
