NEWS FROM THE GYM!

October is a big month for athletics at Montgomery Street School.

Our grades **3-5 Cross country runners** will have their final cross- country races! The meet is New **Maryland Elementary School is held on October 5th**, and the district meet will be held at **Nashwaaksis Middle School on October 12th**.

Once cross-country finishes, badminton intramurals will start shortly after for our grade 4-5 students!

Mr. Dolliver will be starting a Rise and Shine program for students in grade 4-5 on Wednesday, September 28th.

This is an early morning activity option for students to come into the gym and have some organized time to play a variety of games. **Rise and shine will be held every Wednesday morning, ending on November 30**th.

We ask that students who choose to attend arrive between **7:20 and 7:30am on those Wednesdays**.

Join NFPA® in celebrating the 100th anniversary of Fire Prevention Week™ (FPW).

This year's FPW campaign, "Fire won't wait. Plan your escape ™", works to educate everyone about simple but important actions they can take to keep themselves and those around them safe from home fires.

Today's homes burn faster than ever. You may have as little as two minutes (or even less time) to safely escape a home fire from the time the smoke alarm sounds. Your ability to get out of a home during a fire depends on early warning from **smoke alarms and advance planning.**

- 1. Draw a map of your home.
- 2. Show all doors and windows.
- 3. Visit each room.
- **4.** Find two ways out.

5. All windows and doors should open easily. You should be able to use them to get outside.
6. Make sure your home has smoke alarms. Push the test button to make sure each alarm

is working.

- 7. Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.
- 8. Make sure your house or building number can be seen from the street.
- **9.** Talk about your plan with everyone in your home.
- **10.** Make sure everyone in your home knows how to dial 911 or your local emergency number. Practice your home fire drill!
- 11. Make your own home fire escape plan using the grid provided at the link below:<u>HFEP (nfpa.org)</u>
