How much does it cost???

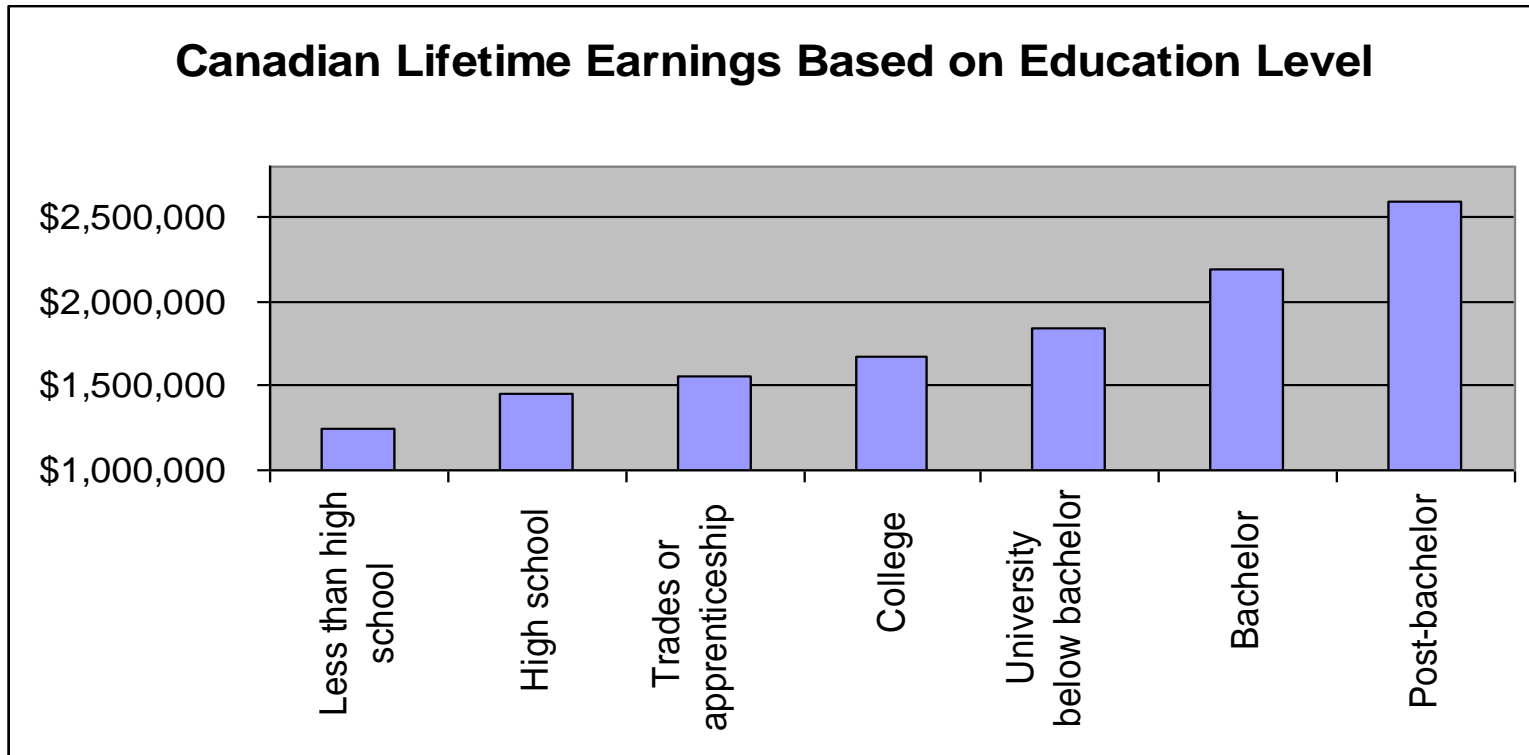

Just what will it cost to go to school? It's a question worth asking because as we leave the 'nest' and venture out into the real world, costs will become an issue. Most everything costs something ...

Here's a rough guide to your costs for a year:

Tuition (will vary with the province and program, college is less)	\$5,500
Other Fees (student association, supplementary, library, etc.)	\$ 500
Books (will vary with the program)	\$ 600
Accommodation (will vary with school residence and location)	\$4,000
Food (will vary with school residence and location)	\$3,500
Entertainment (movies, trips, music, etc.)	\$3,000
Utilities (phone, cable, Internet, etc.)	\$ 700
Transportation (will vary with location to campus)	\$ 500
TOTAL	\$18,300

Is it worth it??

So is an education worth it? According to Stats Canada it is. Over the span of your career, those who get a post-bachelor education will make \$1.3 million more than those who don't finish high school (that's more than double).

Some interesting facts...

- There is an award for most students - there are over \$50 million in entrance scholarships available
- You don't need to have high marks - most awards (83%) do not require an academic average at all
- You don't need to be in financial need - only 26% of the awards in most databases require you to be in financial need
- Keep searching throughout the year - awards have deadlines throughout the year (19% of the awards have a deadline in June ... 1% in December)
- You can't win an award if you don't try - many awards have few applications
- Get involved in your community - over 10% of all awards require some school or community service
- Look beyond colleges and universities for awards - there are over 1,000 award providers; the majority of which are companies, associations and other non-educational organizations

Scholarship Terms

Award: An award is given in recognition of outstanding achievement. Awards may be in the form of books, plaques, subscriptions or money. A monetary award is usually called a scholarship or bursary.

Bursary: A non-repayable grant of money, bursaries are awarded primarily based on financial need, but academic achievement is also considered. Usually, the applicant must provide detailed documentation describing their financial situation when applying for a bursary.

Scholarship: A non-repayable sum of money awarded to a student to help finance further education. Most scholarships are based on merit in areas ranging from academic achievement to athletics. Usually, scholarships are not based on financial need.

Entrance Award/Scholarship: A scholarship or award given to a student entering his/her first year at a post-secondary institution. Also referred to as an Admission Award.

Scholarship Factors

- **Year of Study** (entrance, first, second, third, fourth, final year, graduate)
- **Special Circumstances** (amputee, brain injury, orphan, parent, etc.)
- **Financial Need** (pertains to your income, check with the scholarship administrator for more details)
- **Academic Average** (usually your last year of study marks)
- **Heritage** (Aboriginal, Chinese, etc.)
- **Field of Study** (the program you're interested or currently in)
- **Affiliation** (companies, religious groups, unions, and associations, that you or your family are affiliated with)
- **Activities** (sports, religious, academic, leadership, community involvement, etc.)
- **Location** (where you live and go to school)

Deadlines and Applications

A note on deadlines, if you see a scholarship deadline that is in the past – don't worry. The database is updated daily and we try to review the more than 24,000 scholarship listings at least once a year. Most scholarships are awarded on a yearly basis. If you see a scholarship you think you might be eligible for, mark it as a favourite and contact the administrator to get any updates.

Some scholarships do not have deadlines. In these cases you should contact the administrator and apply as soon as possible.

What is "community leadership"?

We're interested in hearing from students who have demonstrated consistent and outstanding dedication to solving a community problem or making their community a better place. For example, you may be cleaning up the environment, promoting social justice, or fighting child poverty. Check out what some of the [past scholarship recipients](#) have done to improve their community.
