

GRADE 12 COURSE SELECTION 2022-23

YOUR FINAL YEAR OF HIGH SCHOOL!

NACKAWIC HIGH SCHOOL

GRAD STATUS

If you have completed a **minimum of 7 credits**, including English 11 A/B & B/A, prior to September 2022 you will be:

Placed in a Grade 12 Homeroom

You will be considered a Potential Grad (meaning you can attend all grad events next year)

You will be placed on the Grad List

GRADUATION REQUIREMENTS

You will need to pass 7 compulsory credits

You will need to pass an additional 11 electives for a total of **at least 18 credits** (21 is always better)

Only 2 of the 18 can be local option courses-discuss

5 credits (incl. English) must be Grade 12 courses

And.. you need to be **enrolled full time in Grade 12**

You must successfully complete the ELPA

COMPULSORY COURSES

- English 11 Literary Text
- English 11 Informational Text
- Math – you must have 2 math courses to graduate;
OR • NRF 10 + (Foundations 11 OR Fin & Workplace110)
 - Fin & Work 110 + NBCC Skilled Trades Math 1208
- Science 11 or 12
- History 11
- Fine Arts/Life Role
- English 12

Compulsory courses are courses you have to take to graduate...

WHAT COURSES TO CHOOSE?

Choose courses of interest to you; you tend to do better in those courses

Only choose courses that you have the prerequisite for (see pre-requisite listings at back of the course guide)

Choose courses that will help you decide on your post-secondary plans

*****It is critical that you look up required courses for your potential post-secondary paths and choose accordingly.**

Please Remember to choose carefully during course selection. Your choices are important as they determine what is taught next year and course changes will not be considered.

Not all schools recognize the same electives.

Not all schools have the same requirements.

CONSIDER LIFE AFTER HIGH SCHOOL

- Community College
- University
- Private Career College
- Military
- Work
- Apprentice
- Volunteer
- Travel (save your \$)

Options *After*
High School

The background features a teal-to-blue gradient with faint circular patterns and a scale on the left side. The scale has markings from 140 to 260 in increments of 10. The text is centered and written in a bold, white, sans-serif font.

**VERY IMPORTANT TO
REMEMBER...**

**HIGH SCHOOL GRADUATION REQUIREMENTS
AND
POST-SECONDARY ADMISSION REQUIREMENTS
ARE NOT THE SAME!**

ADMISSION REQUIREMENTS

 - Certificate of Proficiency – must be in a grade 12 FI course to be tested
- Personal Interest 1 & 2
- Post-Secondary Dual Credit Programs
- Technical/Vocational Courses at NHS

TWO NEW COOP OPPORTUNITIES

INTRODUCTION TO EARLY CHILDHOOD COOP 120

Early Childhood Coop is a two or three-period coop program where you work in a licensed childcare centre and complete the Early Childhood 90-hour online course. You will complete the coop program as normal, but you will also spend time working with a childcare expert to complete the online part of the program. If successful, you will earn the Early Childhood Certificate that shows you are ready to work in any licensed childcare centre in the province. **You are responsible for your own transportation to and from the workplace. If interested select the 2 or 3 credit coop 120 and let the teacher know your interest when you apply for Coop 120.**

LONG-TERM CARE CO-OP 120

Long-term Care Coop is a three-period coop program at a licensed long-term care facility with seniors and other individuals needing long-term care. You will spend the morning at a care facility near your school and earn two credits in Co-op 120 and one credit in Health Care 110. You will also receive “employment ready recognition” from the care facility. An excellent opportunity for students interested in Resident Assistant or Personal Support Worker careers. **You are responsible for your own transportation to and from the workplace *Enrollment is limited.***

If interested select the 2 or 3 credit coop 120 and let the teacher know your interest when you apply for Coop 120.

PERSONAL INTEREST 1 & 2

Personal Interest 1

- Designed for grade 12 students, the one credit Personal Interest course will appeal to those interested in a self-directed exploration of a topic or subject of their own choosing. Students selecting this course are provided with the time and opportunity, to develop and pursue personal interests. Students will be required to design the program of study in conjunction with their teacher(s), and/or other mentors in the school or community. Students must follow safety guidelines and review and follow policies related to their projects. Students will need a high degree of independence and there is an application process for those interested. The outcomes for the Personal Interest course are based on the New Brunswick Global Competencies. **Application required—see Guidance.**

Personal Interest 1 & 2

- Designed for grade 12 students, the 2- period/ 2 credit Personal Interest Block will appeal to those interested in an in-depth, self-directed exploration of a topic or subject of their own choosing. Students will be required to design the program of study in conjunction with their teacher(s), and/or other mentors in the school or community. They will need to be self-starters, highly motivated and able to work with minimal supervision. Students must follow safety guidelines and review and follow policies related to their projects.
- Students will have approximately 160 hours to devote to their project during the school day, but extra time is often required outside of school. Due to the amount of time provided, the breadth, scope and expectations of the projects produced in the Personal Interest 1&2 course are greater than those of the one credit Personal Interest course. The outcomes for the Personal Interest course are based on the New Brunswick Global Competencies. **Application required—see Guidance.**

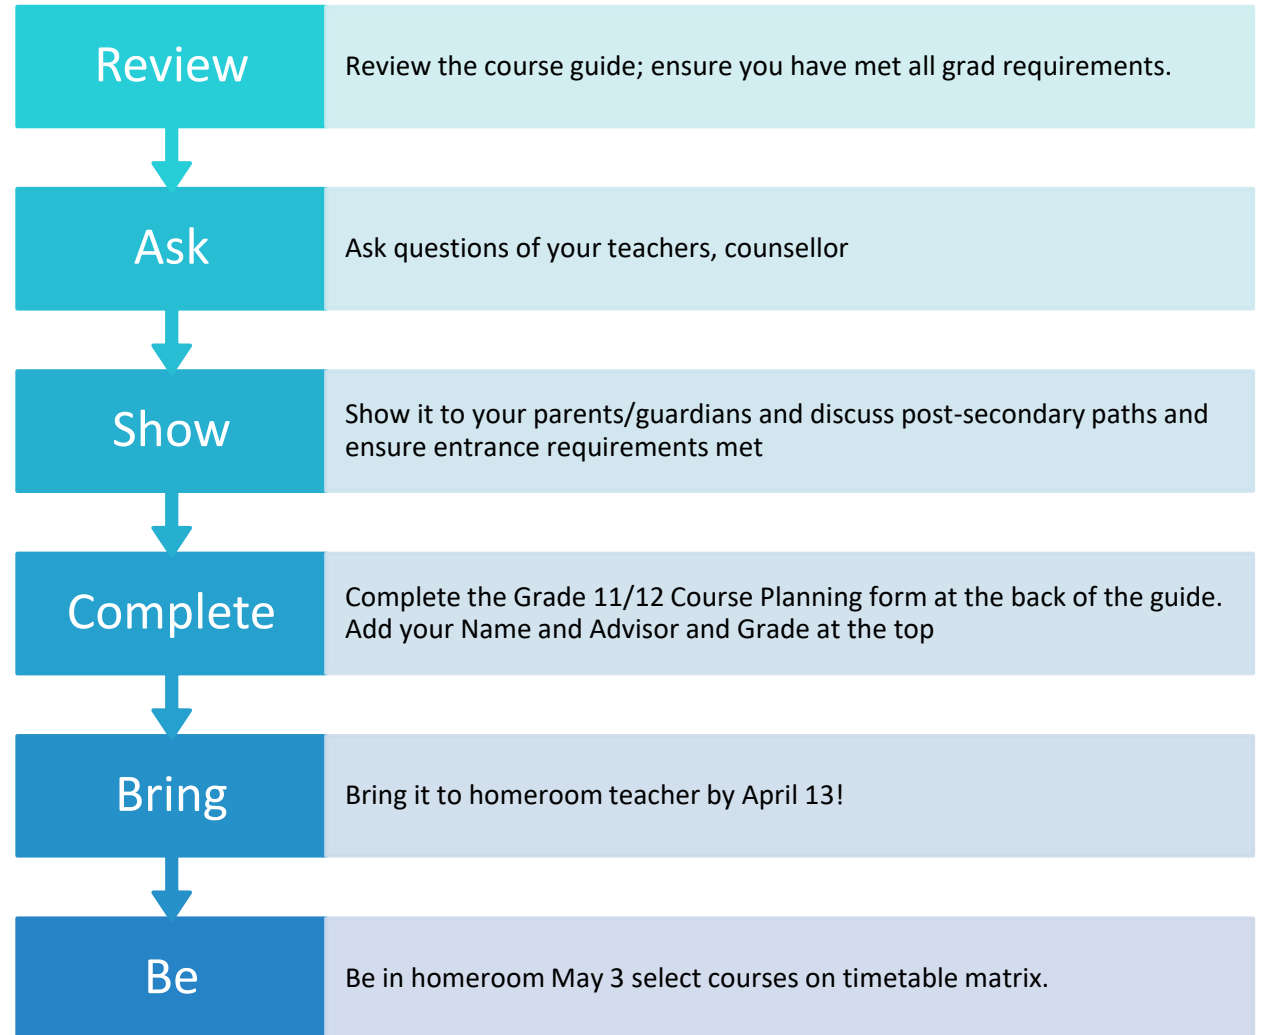

COURSES THAT REQUIRE AN APPLICATION

- Personal Interest 1 & 2
- Co-op Education Programs
- Distance Education
- Applications are available at Guidance.

Important

If you do not submit an application, you will not be considered for the course.

SELECTING COURSES- WHAT'S NEXT?

The background of the slide is a teal color with a complex pattern of overlapping circles, arcs, and dashed lines. Some of these elements resemble a clock face or a circular scale, with numbers like 140, 150, 160, 170, 180, 190, 200, 210, 220, 230, 240, 250, and 260 visible. The text 'IMPORTANT TO REMEMBER...' is written in a bold, white, sans-serif font, centered on the left side of the slide.

IMPORTANT TO REMEMBER...

It is important that you are prepared for the course selection process

You will not be able to debate whether to choose one course or another on the extended advisory mornings. Be ready before hand.

You will only have time to choose the courses on your planning form that you have previously discussed with parents, teachers and Guidance

Once submitted, these are the forms we use to decide what courses to choose so make it count
