- ✓ Parent(s)/guardian(s) must agree to have the student online course login information and monitor student progress from home once per week.
- ✓ If student is missing more than 20% of course work by week six, a local plan will be put in place.
- ✓ Teachers at the school will not be required to provide any academic support to a student who signs up for the online course as this support is to be gathered from direct communication with the online teacher.
