

Discover Your Wild Side!

Are you ready to get outdoors and enjoy a week of nature? Do you want to learn about trees, soil, and water? Maybe you'd like an adventure or just exploring in the woods.

Well then this camp is for you!

This Nature Camp has something for everyone and here are just some of the activities we are planning:

geocaching
Shelter building
archery survival skills
birdwatching
streams
nature preserve
salamanders
birdfeeder making

Students will receive *AdventureSmart* training and certificate.

July 17-21 (grade 4-6)
July 31- Aug 4 (grade (7-9+))

For more information visit www.unb.ca/natureunbound or email camp coordinator Amanda at amanda.didychuk@unb.ca.
