Fluoride – Kim and Nicole

Smoothies – Suggestions for a new recipe are welcome.
What do we think of spinach?

Breakfast – Kids are coming down later for breakfast. If they come late they are welcome to have cereal, Don't worry about making additional toast.

Family Movie Night – At least thirty families came to the event! It was a success! We are considering doing two movie nights per year (maybe next fall?).

Family Fun Night – May 24th 6pm – 8pm. Candy Land theme. We'll have a variety of stations and students who complete the stations get a prize.

Buying Items for the School – The long skip ropes are not adequate. We would like to buy new ones for the school. We could also donate money toward technology- the school would benefit from having additional ipads and notebooks. We could also buy items for outdoor wellness. We would appreciate feedback from all home and school members on their high priority items.

Food Boxes—We need 25 orders to meet minimums. We did meet minimums for this round.

Gift Card Fundraiser – We will give it a try as a fundraiser in the Fall

Early Dismissal – District is asking for feedback. Parents find it difficult to accommodate the changes in dismissal times. We agreed that full day professional development is easier to prepare for.

Parent Conference – April 21st in Saint John. Would anyone like to go to represent Nashwaak Valley? Contact Blair if you want to go.

School Beautification – How do we add some character to the school - inside and out? Any suggestions?

Next Meeting – April 17th, 2018
