September 14, 2017

Dear Sir or Madam:

On behalf of the Nashwaak Valley Home and School Association we are requesting donations of goods, services or promotional items for our annual auction. This event is to be held on Tuesday, November 14/17 at the Nashwaak Valley School. This is a major fundraiser for our association and its success is vital. The teachers and students depend on us to support the various activities and functions that add to the quality of their school life.

With funds raised in the past we have purchased computers, library materials, math and science equipment, year-end prizes, improved playground facilities, sent our children on various field trips, sponsored activities such as Nutrition Month, Teacher Appreciation Week, Hot Lunch Programs and Winter Carnival.

Students, parents and teachers are busy preparing homemade items for the auction and in the past the donations of goods and service and gift certificates by local businesses has had a tremendous impact on the success of our auction.

We thank you in advance for your consideration and support,

Yours Truly,

Nashwaak Valley Home and School Association
