

Home and School Minutes February 20, 2018

There are plenty of volunteer opportunities coming up. Please remember to use "REPLY ALL" for all Home and School Communications, so all members are aware of volunteer vacancies.

Hot Lunch – March 2nd Meatballs and Caesar Salad: **Need Volunteers**

March 23rd Chicken burgers and Veggies: Kari and **Need Volunteers**

Breakfast – Tuesday – Rachel, Gillian

Wednesday – Laurel, Tara

Thursday – Jessica, Dorothy

Friday – Melissa, Kari

Smoothies – Smoothies will be served on Fridays – maybe this Friday. Students name ideas included:

Berry Blaster and Big Orange!

New grocery items may be needed for pick up once this week's smoothies are made

Staff Appreciation – The staff wrote a lovely card to thank Home and School for the star treatment. They appreciate the appreciation! A few ideas for next year: We should switch the day of the staff lunch, so that all staff, including EA's and bus drivers, are able to attend. Could/should we change the format, such as a buffet style, so teachers can grab and go?

Fluoride – Kim and Nicole

Facebook Admin – Hurrah for Sarah Cook! Thanks for throwing in your hat!

March grocery pick up – Gillian

Kitchen Clean Up – Thank you Dorothy and Gillian for organizing the cupboards! The items with the closest expiry date are up front. Please use these items first.

Family Movie Night – New night! February 27th at 6pm! We will provide popcorn, and please bring your own water bottle/ or juice.

Winer Carnival – **February 26th** The school needs some volunteers to pass out hot chocolate after the students return from skating (around noon).

February 28th Artists wanted! The school would like some volunteers to do some face painting at recess time. Start practicing drawing Muwin the Black Bear!

Fundraiser – We are looking into a food box ordering program.

Another option: Vessey's seeds.

Fundscript – Gift Card ordering.

If you have any suggestions for a fundraiser please let us know

Family Fun Night – We discussed opportunities for fundraising (such as a fun "entry fee" using balance scales).

Next Meeting – March 20th, 2018

SCIENCE OF PARENTHOOD MOM OLYMPICS
