Supporting New Volunteers—How do we support new home and school members to make volunteering fun and not intimidating? Maybe have a parent cooking party night early on in the school year to tour the kitchen. Also parents can take a look at the recipe binder that has been prepped this year.

Playground Stencils—Volunteers will be helping with the application (Looks amazing, everyone!).

Family Fun Night—May 24th 6pm – 8pm. Candy Land theme. We’ll have a variety of stations and students who complete the stations get a prize. Set up will begin at 4:30pm for anyone interested in volunteering.
