

6-Week Hands-on Science Program

Under Pressure – Join Bernoulli and Newton as we take this exciting look at the science behind aerodynamics and the properties of air...under pressure! Take home an air-blaster ☺

Chemistry – Don't be scared of our messy madness. Explore physical vs chemical reactions. Make a super polymer bouncy ball to take home.

Fantastic Fliers – The Wright brothers would have been proud as we follow in their footsteps and learn the fundamental principles of flight. Build your own stunt plane to take home!

Super Structures – Discover the strength of triangles, cylinders and arches. Learn how a combination of these shapes make for sturdy homes and skyscrapers and then use teamwork to build your own structures!

Fun-damental Forces – Gravity, inertia, centripetal force--who knew an introduction to physics could be this much fun? We'll experience these awesome forces working with some cool devices to watch them work.

Science of Magic – Magic?... No, it's science! You'll learn the secrets behind famous magic tricks that you can recreate yourself. Make a magic cube to take home and trick your family and friends!

Location: Nashwaak Valley Elementary **Registration Deadline:** April 6

Cost: \$79

Wednesdays: Apr 11 – May 16

Time: 11:45 - 12:45 – please bring your lunch if you wish! ☺

Email madsciencefredericton@gmail.com the following information to register:

Parent name	Child name
Phone numbers (h/w/c)	School
Email	Grade/Teacher

Preferred payment method is by e-transfer (password 'science') from your online banking or send cheque/cash to the first session. Please *label all payments* with the school and child's name.

***** Pre-registration through Mad Science (not the school) is required. *****

--**Class sizes are limited.** If space is available, enrollments received after the Registration Deadline may be accepted at the full enrollment price plus a **\$5 late enrollment fee.**

--A limited amount of financial assistance is available: call (506)259-4448 or email madsciencefredericton@gmail.com

Mad Science has a zero tolerance policy for physical or verbal outbursts, for the safety and well-being of all children.
