

Dear Nashwaak Valley families!

Safe Schools Week was AMAZING! Our Black Bears took this practice drill week very seriously. They definitely stepped up their game! Well done!

Grade 5 students who have shown interest have started the Nashwaak Valley News Crew – live video announcements for all our Black Bear classes. These videos are a great hit! We are using our Microsoft Teams application and smartboards so that Black Bears can watch the Nashwaak Valley News each morning!

This Week at a Glance:

Well, this week is back to a less jammed pack schedule after Safe Schools Week.

Thursday

- Thursday is Pizza Day.
- Also, our November Calendar will be sent home on Thursday and updated on the school website calendar as well.

Halloween Treats (for Thursday)

- Treats can be sent in from home provided they are prepackaged. We can not accept homemade goods coming in from home.
- Prepackaged store-bought treats only (no prepackaged homemade goods, fruit trays, etc.)
- Doing up individual treat bags is a good option.
- Consider sending non-food treats such as
 - Stickers
 - Colourful pencils,
 - Erasers
 - Non-food treats are a healthier option than candy at any time of year.

Reminder - Friday there is NO school for students. October 30th is a PL day for staff.

That is all for now!

Have a wonderful weekend!
