

Santa's Gift Shop December 20, 2017

The Santa Gift Shop has become an annual tradition at our school. This is an opportunity for the students to pick up small items for family Christmas gifts. The format of the Santa's shop is that students bring in different small items (the amount of items the child brings in is the amount of items that your child can choose, unless you are making a donation towards the shop for other students). Most items are bought from the dollar store such as small tools, candles, small toys, etc. Please remember we are a nut free and scent free school. The day of Santa's Gift Shop all items are placed in the gym and students come in to "shop" for the presents. The presents are then wrapped by parent volunteers. The children are always very excited about the presents that they choose!!! We ask that the "gifts" be available to the school by Tuesday, December 19th.

We will be looking for volunteers to help the children choose a gift and to wrap the presents. If you are interested please contact the school or check the box below. We will contact you with a time. Thank you for your help with this event.

Child's name: _____ Grade: _____
