## Fredericton Community Kitchen Student Hunger Program

As surprising as it is, there are hundreds of local Fredericton children going to school hungry and with no lunch each day. Studies have proven that students cannot pay attention, learn and develop physically or mentally without proper nutrition. The Fredericton Community Kitchen has developed a program with 14 local schools and we will provide over 70,000 lunches and 3,400 backpacks in the next school year. We can only do this with the community's involvement and fundraising events. We ask for your help by taking part in this undercoating program which will help protect your vehicle and at the same time, help a child feel protected from the effects of hunger.

Thank you for being part of the solution.

## wonder Auto & Tire

We, at Wonder Auto, are happy to help in this school lunch program by providing an undercoating service which will protect your vehicle from premature rusting and corrosion.

Since 1977 Wonder Auto has served the Fredericton community, and we are proud to be able to be part of the solution. Last year we raised \$20,000 with almost 400 vehicles undercoated.

**Wonder Auto will donate 100% of all funds raised to the Fredericton Community Kitchen Student Hunger Program!**
