# This week in class and at home:

Literacy	
Our theme this month is “ Je suis en bonne santé et je me sens bien !”.	
Vocabulary/ Sentence structures (In class)	<p><b>Quel fruit aimes-tu manger?/ Witch fruits do you like to eat?</b> J'aime manger... des pommes , fraises, kiwis(fruits)</p> <p><b>Quel légume aimes-tu manger?/ Witch vegetables do you like to eat?</b> J'aime manger... des carottes, brocolis, épinards (légumes)</p>
Sound of the Week (In class)	<p>ei, ai, est, è – <b>Ève l'escargot</b> (Ève the snail)</p> <p>Will we learn that ei, ai, est, è also makes the sound (è).Throughout the week we will explore a variety of words and put them into context through reading, writing and speaking activities.</p>
Sight words (In class)	amie, le ,son, ta, aime
Homework	<p>You can continue working with your child on sight words, I have posted the most recent words learned in class. See the '<b>Sight words Flash 7</b>'</p> <p>Also please continue reading with your child in French or English every night for 15 minutes.</p>

# In class this week and at home:

Mathematique	
Numeracy	<p>This week, we will continue working on showing a given addition story problem with an answer to 12 using pictures, numbers and/or words (ten frames, tally marks, number lines, draw a picture).</p> <p>We will reinforce the use of math tools and personal strategies to help solve addition story problems.</p> <p>One personal strategy is to use "Mental Math" (doing math in our heads!) For example: "counting on" from the larger number, doubles/doubles plus 1 and make 10 "friends of 10" facts.)</p>
Homework	<p>I will send home a 'bleu duo tang' for <b>show your work</b>.</p> <p>Student can show what they have been working on in class. Please sign it and return it to school by Friday.</p> <p>I also attached "at home addition activities" if you wish to continue practicing adding with your child.</p> <p>Continue to practice mental math : doubles, friends of 10, counting.</p>

Please feel free to contact me, and I wish you a great weekend !
