**** REVISED ****

GRADE 2s: Christmas Concert
Monday December 17th @ 8:45am.

This week in class

Literacy: This week in class are starting off with our life cycle theme.

Math: Representing and working with numbers up to 100 😊

Homework

Sight words: None for this week, look out for our new grade 2 sight words next week!

Math: Addition to 18. Students must be very familiar with mental math facts (doubles, makes 10s) so that we can build on them this term.

Please remember to **read** for 15 minutes everyday 😊

If your child has a second pair of mittens/gloves it can be a good idea to send an extra pair... Gloves do not always have time to dry between recesses. 😊

Have a great week!
