## **Grade 1 Class Fundraiser: “Glow with Grade I!” Glow Necklaces for \$1.00**

Mrs. Lyons' grade 1 class is selling Glow Necklaces just in time for our annual “Halloween Howl” and Halloween. Each necklace is \$1.00 (send \$2 to receive two necklaces and so on.) and includes a glow stick on a lanyard. Please send in the correct amount of money (no change will be given) to your child's teacher with your child's name

no later than Tues. Oct. 23rd

Your child's teacher will receive and send the glow necklaces home so that students can “glow” the entire night! We thank you in advance for your support!! All money raised will go towards field trips and special activities for Mrs. Lyons' first grade class.

## This week in class:

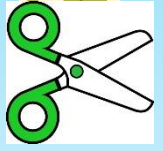

Literacy: We continue with our 2<sup>nd</sup> theme : “Social interaction” – being a good friend.

Math: numbers to 100. We will be concentrating on addition and subtraction to 18 in the upcoming weeks. Focusing our attentions on the following strategies (make 10 (friendly numbers), one/two more - one/two less, doubles).

## This week at home:

- **Printing:** new worksheet in folder. *\*It is important for students to take their time, my recommendation is to complete the sheet over a few days. 😊*
  - **Math:** Practice counting backwards from 100! (2minutes). Using a 100 chart or number line can be helpful (there is one if the homework folder).
  - **Reading :** *Please read in English or French for 15minutes every night.*
- \*\* Practicing the weekly sight words counts towards the 15minutes of reading/day.

Please note that the homework tasks are meant to be overwhelming, if you have any questions or concerns please do not hesitate to let me know.
