September 2017

Dear Parent/Guardian:

Anglophone West School District has a protocol outlining our commitment to creating and maintaining an environment in schools where students, staff, and others feel safe. In order to enhance safety and security, the District has been involved in intensive threat assessment training of school administrators, education services support teachers and district staff. Further to this, partners such as police, officials from Social Development and officials from Mental Health have also had an opportunity to be trained in this multi-disciplinary approach.

The protocol requires trained school staff, as a team, to complete a "Violence Threat Risk Assessment" (VTRA) in all cases where students make significant threats to harm themselves or others. The purpose of the threat assessment process is to use the best knowledge, skill, and experience available to assess level of concern so that appropriate interventions can be identified to protect individuals from harm and to ensure a climate of safety in schools and the community. As noted above, a multi-disciplinary approach is used. Please be assured that the school team will be taking measures to deal with all known threats/high-risk behaviours in a positive and proactive manner. If the school team invites you to a meeting to discuss safety concerns about your own child, please be assured that our protocol is being followed and that the goal is safety.

Anglophone West School District will respond to all serious threats. If there is a need, a school may initiate a state of "lock down" or "hold and secure" within the facility. A principal has the authority to declare either condition and will often do so through collaboration with district office officials and/or emergency responders. Please note...a "hold and secure" allows those who are in the building to continue with their normal routines, but calls for increased monitoring of entrances and for nobody to enter or leave the building. A "lock down" requires all who are within the building to immediately stop what they are doing and assume a quiet, hiding position within their current space. Staff and students practice this as a drill each year. In either case, it is important for parents/guardians to know that they will not be able to retrieve their child(ren) until the "all clear" is given. The school and district will do their best to provide communication throughout the situation, although the priority will always be to ensure the safety of individuals first.

To help keep our school communities safe, there is an expectation that parents, students, and community members who have knowledge of a threat or high-risk behaviour will report this information to the principal. It would be helpful if you would discuss this protocol with your child(ren). Our goal is to respond to all threats in a professional manner that provides for a safe, healthy and caring learning environment.

We appreciate your support in helping ensure our schools are safe environments for all children and staff.

Sincerely,

Catherine Blaney  
Interim Superintendent

September 2017

Dear Parents/Guardians:

We have begun another exciting school year at Oromocto High School and welcome an opportunity to share some of the 2017-2018 academic, co-curricular and extracurricular activities with you. In order to do this, an Open House evening is scheduled for **Tuesday, September 12<sup>th</sup>**, starting at 6:00 p.m. in the OHS Theatre. Some of the highlights of the evening are:

- + Opportunities to meet and talk with your child's teachers (**Please bring a copy of your child's schedule of classes with you so you can best experience his/her day**)
- + Overview of course offerings at OHS and the four year high school program
- + Review of the academic expectations and behaviour expectations
- + Presentation by the Students Representative Council (SRC)
- + Introduction to the many activities available to students throughout the year

The Parent School Support Committee (PSSC) election will be held on Tuesday, September 12<sup>th</sup>, in the OHS Cafeteria. A letter providing more information about the election process and eligibility is included on the reverse side of this letter.

Education of the whole child involves emphasis on academics as well as involvement in extracurricular activities. At Oromocto High School there are in excess of 50 extracurricular activities from which students can choose. In addition, many social events occur during the noon hour thus providing opportunities for participation by the entire student body. The student council fee of \$40 per student or \$80 per family allows us to provide a diverse selection of extracurricular activities/clubs as well as support for numerous sports and athletic teams.

The evening's schedule is as follows:

- + General Assembly in the OHS Theatre
- + Visitation with your child's teachers (you need a copy of your child's schedule; students are encouraged to attend with their parents)
- + Parent School Support Committee election in the OHS Cafeteria

On behalf of all staff at Oromocto High School, I welcome an opportunity to meet with you on September 12 at 6:00 p.m. in the OHS Theatre.

Best wishes,

Jeff Holder  
Principal

## Who are the members of the PSSSC?

The PSSSC will have between 6-12 members. Most members are parents of students in the school who are elected (or appointed) for a 3-year term. The number of parent positions on the committee is determined by the size of the school.

A Home & School Association may appoint one member.

If your school has high school students, the students will elect a student representative. If your school doesn't have high school, the PSSSC may choose to appoint a student.

The teachers in your school will elect one representative for the PSSSC.

The PSSSC may also appoint 1-2 community members to join the PSSSC.

Your principal will participate in all PSSSC meetings and will bring reports and updates to the committee for input and review.

## How can I get involved as a parent member of the PSSSC?

Parents of students in your school elect parent members at a meeting organized by your school principal in September of each year.

If you are interested in being a parent member, talk to your principal or PSSSC members about vacancies and eligibility requirements. There are no special skills or experience needed. However, there are some limitations, for instance, you cannot be an employee who works at the school.

To serve as a community member, you must be nominated by a parent member of the PSSSC.

Contact your principal, talk to your school's PSSSC, or visit [www.decnb.ca](http://www.decnb.ca) for more information on education governance in NB.
