Re: Oromocto High School Bussing during exams – January 22–26, 2018 (inclusive)

All buses must bring OHS students to school in the morning according to the regular schedule for any school day. Busing home from OHS during this period will depart according to the following schedule:

Buses will be at the OHS loading zone for 11:15 AM and will depart at 11:25 AM on the following dates – **please note the exceptions in bold type:**

- Monday, January 22nd - Buses depart loading zone at 11:25 AM
- Tuesday, January 23rd - Buses depart loading zone at 11:25 AM
- Wednesday, January 24^h - Buses depart loading zone at 11:25 AM
- Thursday, January 25th - Buses depart loading zone at 11:25 AM
- Friday, January 26th - **Buses depart loading zone at 11:15 AM**

January 29th - No OHS students are to travel on buses to the school in the morning or home in the afternoon.

January 30th - No OHS students are to travel on buses to the school in the morning or home in the afternoon.

These last two days, January 29th and January 30th, could be used if any days in the previous week are “lost” due to a school closure.

All students will begin traveling on the regularly scheduled bus runs on Wednesday, January 31, 2018, when the second semester begins.

All students will take their regular school bus home at 11:25 AM.

Thank you for your co-operation,
