

# Park Street After School Opportunities

November 21, 2016

Park Street School has embarked on an exciting journey to become the first Trilingual School in New Brunswick. Currently we offer both English and French Immersion Programs to our students. Over the past 5 years we have had the opportunity to work closely with the Confucius Institute of New Brunswick to have Chinese language and culture introduced to our school. As the world has become more global, it has also become clear that for Canadians to be competitive, they will need the skills to allow them to effectively compete and collaborate with others from around the world. Therefore, it is critical to more deeply embed and expand our current Chinese program to give students an opportunity to become fluent in a language that is growing worldwide.

Ms. Chen is currently teaching many classes about Chinese Culture within our school weekly and is even having a Chinese Dance Club during one recess a week.

As part of our enriched afterschool learning opportunities, Ms. Chen is continuing to offer a 4 week Chinese Language Club for grades 3-5 students beginning on Thursday, December 1 and running each Thursday from 3:15 – 4:15 until December 22. If your child was in the first 4 weeks of the afterschool club, they are still welcome to continue.

Due to the nature of the club, Ms. Chen is currently only opening the after school club to 10-15 students. Those students who were put on a wait list from the November session will be offered spots first.

If your child is interested in being part of this Chinese Language Club afterschool, beginning on Thursday, December 1, please complete the form below and return it to the office no later than, Monday, November 21.

---

I give my child \_\_\_\_\_ in \_\_\_\_\_ class to participate in the enriched afterschool **Chinese Language** opportunity from 3:15 – 4:15 at Park Street School beginning for 4 weeks on December 1, 2016.
