

# Park Street After School Opportunities

January 23, 2017

Park Street is pleased to partner with Fredericton Toastmasters Club in offering an enriched afterschool opportunity called “Public Speaking.” Public speaking is a vital 21<sup>st</sup> century skill that will allow our children to collaborate and compete with others around the world.

The purpose of this program is to give students an opportunity to learn the following about public speaking – how to properly introduce yourself, impromptu speaking, body language and speaking voice.

The club will run each Tuesday on the following dates: February 14, 21, 28, and March 14 from 3:15 – 4:15.

Due to the nature of the activities, the organizers are currently only opening the after school club to 12 students. We will collect application forms until February 3, at which time we will do a lottery draw for participants if there is great interest.

If your child is interested in participating in this club “Public Speaking”, beginning on Tuesday, February 14 please complete the form below and return it to the office no later than, Friday, February 3.
