Who: Students in grade 4 and grade 5

When: Week of Dec 3-7th

About the OurSCHOOL Student Survey:

- Allows students to share their feedback **anonymously** on their experiences at school, school environment and school improvement programs.
- Participation in the survey is **voluntary**, however all students are encouraged to participate.
- The time required to complete the survey may vary, but it is designed to be completed in approximately 35-40 minutes.

Survey measures include such topics as behaviours and attitudes linked to student success, emotional and social well-being and physical health. For more information about the OurSCHOOL Student Survey, please visit The Learning Bar Inc.'s website: www.thelearningbar.com.
