

# Park Street School Summer Camp

## Math, Science and Technology Camp

## Creative and Language Arts Camp

This summer your child will:

- ✗ Learn
- ✗ Create
- ✗ Experiment

In curriculum-based and hands-on activities that are specifically built for our future scientists.

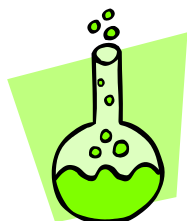

This program is great to enhance your child's creativity in a week devoted to:

- ✗ Reading
- ✗ Writing
- ✗ Presentation skills

In curriculum-based activities that are addressed in the most creative and exciting way.
