EDUCATION SUPPORT SERVICES TEAMS**

Category: Educational Services

Effective: October 2020

Policy Statement

The school Education Support Services Team (ESST) will provide coaching, mentoring, training and support to the classroom teacher in accommodations, instructional strategies and other related practices. Recognizing the complexity of providing programs and services, the District is committed to cooperation among parent(s) or guardian(s), school and district staff, and external specialists in reviewing the needs of students requiring extra supports.

Procedures

ESST will be involved in programs, initiatives and will support classroom teachers. ESST will meet on a regular basis (every 10 school days minimally) to focus on collaboration, peer support, problem-solving and practices to support teachers and students.

A written record of all team meetings shall be kept and made available to ESST and District. These reports will be uploaded to the District Education Support Services Portal.
