WorkSafe NB

Anglophone West School District (ASD-W) School Health & Safety Committees Work

The members of our School Health and Safety Committee are:

Name of School:

Identify members:

This committee serves as a communication link between your school and Anglophone West School District. It is an advisory body to help stimulate awareness of safety issues, recognize workplace risks, and deal with these risks. To achieve these goals, the committee will conduct regular workplace inspections, investigate health and safety related complaints and investigate the cause of health and safety accidents.
