

Welcome to the Grade 1 French Immersion Program

We are very excited to welcome your child on a wonderful French journey. Here is a list of materials that they will need.

1. A pair of indoor sneakers. Students are encouraged to bring sneakers that they are able to put on independently.
2. Two boxes of tissue.
3. One box of large Ziploc bags.
4. One box of small Ziploc bags.
5. One package of 8.5X11" white printer paper

This year the school supply fee is \$50.00. This money will cover all other school supplies that your child will need this school year. This can be paid using the school's cashless school system, by writing a cheque to Priestman Street School, or by sending cash the first day of school.

Have a wonderful summer!
