

Welcome to the Grade 1 French Immersion Program

We are very excited to welcome your child on a wonderful French journey. Here is a list of materials that they will need. Please remember to label everything!

1. A pair of indoor sneakers. Students are encouraged to bring sneakers that they are able to put on independently.
2. One box of tissue.
3. One set of extra clothes.
4. A water bottle.

This year the school supply fee is \$50.00. This money will cover all other school supplies that your child will need this school year and other educational purposes. A portion of this fee may go towards the use of educational technology to support learning. This fee can be paid using the school's cashless school system or by sending cash the first day of school.

Have a wonderful summer!

Mme Douglas, Mme Macdonald, M. Gagnon
